

An A to Z of the Moonshine Beers and Ales

BEER	BREWER	BREWERY	DESCRIPTION	Tick
Apprentice's Ale	Claralyn	Claralyn's Home-brew Shop	A weak blonde ale with a light bitter hoppiness from the Northdown hops. Traditionally brewed by beginners using simple ingredients to train them in the art of ale making.	
Barliman's Best	Barliman Butterbur	The Prancing Pony	One of the finest ales in the whole land. Barliman's recipe is locked away in a vault at the Bree Town Hall. A crisp hop flavour gives way to a taste of oat biscuits from this rich copper coloured ale. Very popular in Bree.	
Beakbreaker Ale	Lizbeth Honeymeade	The Comb & Wattle	A strong malty ale with a pale golden hue. Rumoured to be made with the addition of a dead chicken to the mash. The brewer would neither confirm nor deny this. A dozen of these will have you crowing at dawn.	
Blackberry Ale	Claralyn	Claralyn's Home-brew Shop	A purple coloured fruit beer made with blackberries, umbel hops and a pinch of thyme. Great for winter evenings to warm you up. An acquired taste well worth acquiring.	
Blagrove's Brown	Carlo Blagrove	The Bird & Baby	A classic brown ale made to an old recipe kept by the Blagrove family for generations. Has a deep malty flavour with an aftertaste of hazelnuts. Equally perfect for sunny afternoons or fireside tales.	
Blind Troll Stout	Barliman Butterbur	The Prancing Pony	An exceptionally heavy and dark brew noted for its potency. It has a strong woodsmoke aftertaste which comes from the double roasted malt and has an aroma of bonfires. Treat this brew with respect or regret it the next morning..	
Blueberry Ale	Claralyn	Claralyn's Home-brew Shop	The blueberry flavour is subtle, not too sweet and surprisingly delicious. A combination of aged winter barley, umbel hops and, of course, blueberries make this the perfect ale for a picnic.	
Blue Bock Beer	Claralyn	Claralyn's Home-brew Shop	Another blueberry beer but this time made with spring barley, Golding hops and lager yeast. It has a strong fruity flavour and a pale violet colour. Goes exceptionally well with mature cheese.	
Bold Stout Beer	Claralyn	Claralyn's Home-brew Shop	A basic stout, ideal as an introduction to darker heavier beers.	
Bombur's Beard Lager	Runulf	Thorin's Hall Inn	A white beer, crisp, acidic and yeasty. Just right for drinking in very great quantities, ask any dwarf and if they can focus on you long enough they will agree.	
Dark Stout	Claralyn	Claralyn's Home-brew Shop	Another variety of stout, thick, black and dry with flavours of burnt grain and plums. A more complex challenge for the home brewer.	
Forsaken Ale	Anlaf The Forlorn	The Forsaken Inn	A basic pale ale, nothing special but very drinkable when you have not drunk anything for quite a while.	
Frothy Ale	Barliman Butterbur	The Prancing Pony	A basic quaffing ale, exported to many places from the Pony as it is one of the few beers to travel without spoiling. May contain alcohol.	
Green Dragon's Breath Ale	Barmy Rootknot	The Green Dragon	A medium bodied amber beer with a crisp hoppy taste, made with filtered water from the Bywater pool. Its name comes from the fact that folk, particularly spouses, know where you've been from the smell of your breath.	
Honeybrew Beer	Claralyn Claralyn's	Claralyn's Home-brew Shop	A light, mead-like, floral beer with an aftertaste of sweet onions. Fine on a sunny day or even a cloudy one.

BEER	BREWER	BREWERY	DESCRIPTION	Tick
Moor Boar Beer	Barliman Butterbur	The Prancing Pony	A smooth malty beer rumoured to have more boar than any other beer but not actually containing any pig. Rather strong in taste and potency and a dark golden colour. Barliman himself drinks this beer.	
Old Withywindle	Gunderic Grubb	The Golden Perch	This fine ale has been brewed at the Golden Perch since it was first built. It has a smooth malty backbone but is mainly hoppy to taste. It possesses an intoxicating aroma that makes you want to doze. The best of the Shire in a tankard.	
Shire Spice Ale	Claralyn	Claralyn's Home-brew Shop	A strong spring ale made with a secret combination of herbs and spices that are blended with the Chetwood hops to create a pleasing, warming effect. The most popular sale at Claralyn's.	
Small Beer	Barliman Butterbur	The Prancing Pony	Better than water but not by much. A light beer created to help wash down a hearty meal without distracting the taste buds. Another export from the Pony.	
Spring Ale	Heartsease Whitfoot	Festival Beer	A strong pale ale from the Inn league recipe book. A fine session beer if you intend to be out until the inn closes.	
Spring Fern Beer	Heartsease Whitfoot	Festival Beer	Another Inn League favourite, heavily hopped with refreshing leafy overtones. Stronger than Spring Ale but still very quaffable.	
Spring Perry's Porter	Heartsease Whitfoot	Festival Beer	A rich dark beer half way between a brown ale and a stout. Only usually available at special Inn League events, we are honoured to have been allowed to present it today.	
Strawberry Stout Beer	Claralyn	Claralyn's Home-brew Shop	A dark ruby coloured beer. Green hill hops and roasted winter barley are mixed with crushed strawberries to give a deliciously rich, almost brandy like taste. Often used in cooking to add that special something to a dish.	
Swill	Anlaf The Forlorn	The Forsaken Inn	Probably the worst thing you will ever drink but after the third one nobody cares. Originally brewed to keep non locals away from the Inn, which when you think of it, must be almost everyone.	
Thistlebelly Brew	Hereward Loamsdown	The Ivy Bush	A pale golden beer brewed with the addition of thistle flowers to give a unique taste. Very easy to just have one more of, all evening.	
Toad's Tongue Ale	Ponto Hopsbloom	The Floating Log	An unusual tart ale made with the local Frog hops. Quite a sour, earthy taste that is enjoyed very much by the Frogmorton drinkers who seem to know no better.	
Ultimate Honeybrew Beer	Claralyn	Claralyn's Home-brew Shop	A stronger version of the usual Honeybrew made with the addition of thyme and clover honey. Sweet, flowery and great for attracting bees should you wish to do so. Just be careful when swallowing.	
Winterberry Ale	Claralyn	Claralyn's Home-brew Shop	Green hill hops, winter barley, raspberries and parsley are combined to make this fruity and almost wine-like ale. Gather round a roaring fire, get out your pipe and down several of these for a great evening.	
Wooly Foot Stout	Halson Tubwort	The Plough & Stars	A thick black stout made from roasted, smoked malt and treacle. Can line your insides for days. Beware this potent brew that has left many an unsuspecting drinker being woken up on the Greenfields by a hostile bear.
